invites you to attend an exclusive webinar

**TOWER LIFEBOAT STATION:
How we continued to operate and save lives
throughout lockdown**

Notwithstanding an ageing Lifeboat Station and the challenges presented by COVID-19, Tower lifeboat crews have continued to provide a lifesaving emergency service 24/7. Hear more about this important work.

Speaker

Steve Doherty

Tower Lifeboat Station Helm

“We have continued to rescue people and save lives on the Thames during Covid. The new Lifeboat Station will provide more appropriate facilities for those we assist and our crews.”
